Chair's Update

1. The Chair reviewed the position reached at the end of the last meeting on 18 July. He noted that there was now a full list of names for the proposed list and that vetting reports were now available for all nominees. Reports had been updated for those people about whom the Commission had requested further information.

Vetting

2. Members undertook their vetting duties and discussed the advice that would be offered to the new Prime Minister of the names in question.

Communications

3. The press officer provided an update on recent press activity.
